
ecoDa's provisions during the Covid19's crisis

Up. 26 March 2020

ecoDa restricts travel and meetings due to coronavirus concerns

ecoDa is restricting member and employee travel until at least June 2020. It will also limit meetings.

- ecoDa's team has been working from home since March 9th – teleworking will be maintained.
- International and domestic travel – We are banning all cross-border international and domestic travel.
- Group meetings – All physical meetings are cancelled or postponed. There are many ways to manage our ongoing meetings and activities through calls and video.
- Personal health – Wash your hands often with soap and water for at least 20 seconds. If soap and water aren't available, use an alcohol-based hand sanitizer. You must not touch your face and cover your coughs.
- Scheme -- In the coming weeks and months, we will continue to provide updates as things develop.

<u>Event</u>	<u>Venue</u>	<u>Date</u>	<u>Action</u>	<u>Rationale</u>
