The European Voice of Directors

ABOUT THE PROGRAMME

March 2023

“ *A unique programme designed by senior European board members for European board members* ”

Are you already an experienced board member with the adequate background and training required to carry out your duties effectively? Has the time come to move to the next level and receive keys to develop your own roadmaps in a concrete way as well as enriching your knowledge by benchmarking yourself against the best European Corporate Governance practices and peers? This unique programme, designed by senior board members for board members, will help you to explore and understand the challenges for European directors in the years to come. It will deepen your understanding of the changing demands being placed on the boardroom and help you foster innovation and long-term value creation. This programme, has been conceived as an eye-opener and a peer-to-peer learning experience supplemented by real-life case studies, constitutes a source of inspiration in your pursuit of excellence. It is designed to equip you with the right behaviours and skills to add value in the international boardroom with unique networking opportunities and EU proximity. This programme is an add-on to programmes developed by the national institutes of Directors.

To receive the European Board Diploma, participants have to complete the full training (the central base + one optional module of his/her choice) and to pass an online examination (multiple choice questionnaire). If a participants is not following the full training, an attendance certificate will be provided upon request.

ABOUT ECODA

The European Confederation of Directors' Associations (ecoDa) is a non-profit association founded in December 2004 under the laws of Belgium. Through its membership of 20 national institutes of directors (the main national institutes existing in Europe), ecoDa represents around 55,000 board directors from across Europe. ecoDa's member organisations represent board directors from the largest public companies to the smallest private firms, both listed and unlisted.

Our Mission

The missions are fourfold:

- I. To promote the role of directors, to develop professionalism and European governance standards;
- II. To influence the European decision-making process related to Corporate Governance;
- III. To provide services to its members, mainly by providing information regarding relevant European issues;
- IV. To facilitate the development of national director institutes dealing with Corporate Governance in Europe and attract new members.
